Wiltshire Freemasonry

We hope to achieve so much over the coming year.

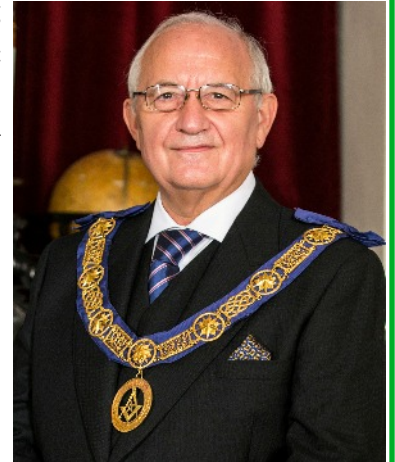

For Wiltshire Freemasonry, this year promises to be a very exciting and challenging time as we come to the end of the five year Masonic Samaritan Fund 2017 Wiltshire Festival, and start the formal Tercentenary Celebrations of the formation of the first or Premier Grand Lodge.

I am sure you share with me the hope that we can use the wonderful opportunity presented by each of these events to show a sceptical world the positive and beneficial effects of our Ancient and Honourable institution, and in particular the role Freemasonry plays in the wider Wiltshire community.

I am confident that the events we have planned for 2017 will receive your wholehearted support, whether it be the Tercentenary Cathedral Service on **Sunday 3rd September**, the end of Festival Luncheon on **Saturday 23rd September** at Trowbridge or the trip to London on **Tuesday 31st October**. I am also aware that some events for which your support is so vitally important to their success are still in the final planning stages and will be advised to Lodge secretaries during the coming months.

Ian Priest the Provincial Charity Steward has announced the date and venue for the second Charity Awards Event; it will be held on **Friday 3rd March** at 7.00pm in the Masonic Hall, Chippenham. I look forward to welcoming a number of the charities we support and I am sure they would be delighted to meet Lodge Charity Stewards and members.

Please make a date in your diary to Join your hosts John and Val King to support the **Teddies for Loving Care** concert at St Peter's Church, High Street, Marlborough on **Saturday 18th March** at 7.30pm. Having previously heard the musicians perform I know you will be superbly well entertained

Chapter of Harmony No.663 and Royal Arch welcome a new Companion

The Most Excellent Grand Superintendent and the Provincial Team were present at Chapter of Harmony No.663 during January when E Comp John Reid presided at a Banner Dedication. The

Convocation also included the Exaltation of a new member for the Chapter which is enjoying a much welcome renaissance with another three Exaltees scheduled to be welcomed in to Royal Arch Masonry during the next few months.

E Comp John Reid was especially delighted to present a Supreme Grand Chapter Certificate to Comp Ryan Hartley (see picture opposite). The evening concluded with an excellent Oration by E Comp Michael Barrett which can

be found on the Royal Arch Lectures page on the website.

Cathedral Service - you can book your place on-line.

I suspect that everyone now knows about the very special service which will take place on **Sunday 3rd September** in the magnificent surroundings of Salisbury Cathedral. The interest shown in the event by members of the Province has been quite amazing; if you intend to attend and would like to travel by coach please let us know and we will gauge the demand, investigate availability and determine the likely cost involved. You can now book online via the Provincial website www.pglwilts.org.uk or with W Bro Phil Still who is taking bookings for the Service and the buffet reception. If you have not already booked to attend the event and/or the post service reception Phil can be contacted by email on phil.still@btinternet.com

Masonic Charitable Foundation supports Wiltshire hospices.

The good news continues with the Province being advised that as part of a £600,000 nationwide support programme, the Masonic Charitable Foundation (MCF) has approved donations of £2,431 to Dorothy House Hospice, £3,290 to Prospect Hospice and £2,431 to the Salisbury Hospice Charity.

Masonic Charitable Foundation goes public in a big way.

And you don't get much bigger than the Radio Times, which is where the Masonic Charitable Foundation launched its newest initiative - Community Awards 2017. A sum of £3 million has been committed to support 300 local and regional charities, and Wiltshire has been allocated four grants. The Province has nominated four charities to benefit from this generous initiative and it is hoped that Freemasons and members of the general public will cast their vote which will decide the amount each organisation receives.

Vote for your favourite local charities

The four charities will compete for a share of £50,000 made up of individual awards for £25,000, £15,000, £6,000 or £4,000. As you can see, every charity wins something and Provincial Charity Steward Ian Priest will be providing more detail in the next edition of **Wiltshire Masonic News**.

Hello, hello, hello - what have we here then?

It's the 'Old Bill' in the form of Sine Favore Lodge No. 9856 which was Consecrated in London in September 2010 by members of the Police Federation and travels twice a year to locations outside London. The Lodge will be visiting Chippenham Masonic Hall on Friday 10th March when they will be conducting an Initiation. The festive board will be a 'White Table' event where the Lodge will welcome their Ladies and other non masons. A warm invitation to attend is extended to local Freemasons particularly those with an affinity to 'the job'. Further details can be obtained from Harry Smith secretary@sinefavore.com

New regulation on Craft and Chapter membership criteria.

Regulation 66B came into effect on 31 December 2016 and clarifies the status of a Royal Arch Companion who resigns totally from the Craft, that is, he no longer has a formal association with a Craft Lodge either as a subscribing or Honorary member. A Companion who has at any time been a subscribing member of a Lodge under the United Grand Lodge of England who shall have ceased by reason of an event occurring on or after the aforementioned date to be a subscribing member of every such Lodge to which he belongs shall, unless he is (a) an Honorary Member of a Lodge under the United Grand Lodge of England or (b) a subscribing member of a Lodge under a recognised Grand Lodge, cease also on the date or dates mentioned below ("the effective date(s)") to be a subscribing member of each Chapter to which he belongs, unless in the meantime he shall have again become a subscribing member of a Lodge under the United Grand Lodge of England. In the case of each such Chapter he shall be treated as though he has resigned from that Chapter, unless at the effective date he is indebted to that Chapter, in which case he shall be treated as though he has been excluded under Regulation 71.

The effective date shall be the end of the next subscription year (he will effectively be removed from the Annual Return) after he ceases to be a subscribing member of every Lodge to which he belongs under the United Grand Lodge of England.
