# What are your guiding principles?

Freemasons use four important guiding principles to help define their path through life: integrity, friendship, respect and service.

In today's world filled with uncertainty, these principles ring as true as they have at any point in the organisation's history.

One of the oldest social and charitable organisations in the world, Freemasonry's roots lie in the traditions of the medieval stonemasons who built our cathedrals and castles.

*"Although I have only been a Freemason for less than a year, I'm so pleased to have joined an organisation which really does offer such a warm welcome to new members, it's unlike anything I have experienced anywhere else."*

KEVIN  
HIGHWORTH LODGE

Membership is open to people from all backgrounds and the organisation's aim is to empower members to be the best they can be – it's about building character, supporting members as individuals, and helping them make a positive contribution to society.

*"Freemasonry is much more than just a hobby, it's a way of life and its values dictate how I live my daily life."*

ANDREW  
WIDOW'S SON

Freemasonry provides a structure for members to come together under these common goals, enabling people to make new friendships, develop themselves and make valuable contributions to charitable causes.

# INTEGRITY:

## Building good people

Rather than working on buildings like the masons of old, today's Freemasons focus on building themselves as people of integrity, and membership provides the structure to help achieve that goal.

*"I'm really lucky to have made friends who apply the principles of Freemasonry to their daily lives, it's amazing how you naturally want to help others, and become a better man."*

BARRY  
CITY LODGE

*“You try to give something back to society, it’s absolutely true that charity is in a Freemason’s DNA.”*

DEREK  
LODGE ELIAS DE  
DERHAM

At an individual level, being a Freemason gives members a sense of purpose, supporting and guiding them on their journey through life. Collectively, members are bonded through a sense of unity and equitability – principles fundamental to Freemasonry.

## THE HISTORY OF THE HANDSHAKE

Historically, stonemasons travelled from place to place to secure work. At this time, handshakes were commonly used as a means for stonemasons to identify themselves, proving their level of experience and indicating what position they held. Today, in recognition of this practice, handshakes are used ceremonially as a way of identifying the various levels within Freemasonry.

# FRIENDSHIP:

## Building together

One of the oldest social organisations in the world, Freemasonry is not defined by an ideology.

It is open to people from all religions and political persuasions, and provides the common foundation for friendships between members, many of which will last for life.

*“When I joined Freemasonry I didn’t just meet some nice people, I made new friends. Those friendships are like no other I have ever experienced. There’s a real sense of family. Your fellow Masons are your brothers and this relationship embodies everything that stems from Freemasonry... integrity, respect and charity, and litter picking...”*

MICHAEL  
LANSDOWNE LODGE  
OF UNITY

Being a Freemason means something different to each person who joins, but whether looking to make acquaintances or develop their own potential, all members share a sense of togetherness that strengthens their ability to succeed and grow.

*“The bond of friendship is stronger in Freemasonry than anywhere else I’ve ever experienced. I have a wider, more diverse circle of friends than I ever thought possible.”*

MITCH  
SARSEN CLUB

## BUILDING FRIENDSHIPS FOR LIFE

From university schemes, to new masons clubs, to special interest Lodges, Freemasonry gives members many opportunities to make friends for life. Finding bonds with people who share common interests and meeting people from all different backgrounds are only some of the ways Freemasonry can help cultivate lasting friendships.

# RESPECT:

## Building unity

With a membership of more than 200,000 people drawn from communities across the UK, Freemasonry brings people together irrespective of their race, religion or any other perceived differences that can divide us as a society.

*No matter what your background, race, religion or social standing, you're made very welcome."*

LUKE  
RADNOR LODGE

*“Through the ceremonies, Freemasonry allows me to reflect on myself and think about those ideals I hold dear and value in my life. My friendship with other Freemasons has taught me to respect different opinions and to be aware of the integrity of my actions in my day to day life.”*

SIMON  
GOOCH LODGE

Our members are proud to be Freemasons, and they are encouraged to talk openly about what the organisation does and what it means to be part of it.

## FEMALE FREEMASONS

There are two female-only Grand Lodges, the Honourable Fraternity of Ancient Freemasons (HFAF) and the Order of Women Freemasons (OWF). The HFAF and OWF follow exactly the same ritual and wear the same regalia as male Freemasons – and they often work closely with community and charity projects.

Female Freemasons Annie Besant and Charlotte Despard were prominent figures in the push for universal suffrage in the early twentieth century. Besant was a British theosophist and women’s rights activist who also established the first UK lodge of the International Order of Co-Freemasonry (Le Droit Humain) in 1902. Despard, an Anglo-Irish suffragist, pacifist and novelist, was a founding member of various reformist organisations whose presence lives on today in the North London pub named in her honour.

# SERVICE:

## Building compassion

Whether participating in events, fundraising for a charitable cause or volunteering for public or community organisations, service is at the very heart of Freemasonry.

Our members make valuable contributions by donating time, resources and skills.

*“Charity is in a Freemason’s DNA, which is why supporting Wiltshire charities, particularly those which encourage youngsters to develop their full potential is very important.”*

FOSTER  
LODGE MENTOR

Individuals can make an important contribution at local, national and global level by giving both their time and money. Thanks to their efforts, Freemasonry is one of the largest charitable givers in the country, contributing more than £48m to deserving causes in 2018 alone. Freemasons don't only donate money – over 5 million hours of volunteer work was undertaken by Freemasons in 2018.

*"Freemasonry is at its very best when working with local communities and civic leaders in support of those in need. When I realise what Freemasonry contributes, I have an incredible feeling of pride."*

DES  
LODGE OF RECTITUDE

## FREEDOM OF THE CITY

In 1894, facing financial crisis, Manchester City Football Club was offered a helping hand by the Freemasons. In acknowledgement of the organisation's act of charity, the club adopted Masonic colours, giving them the light blue shirts that are so recognisable to football fans today.

# Membership

Becoming a Freemason means you'll be joining more than 200,000 members throughout England and Wales as well as Districts overseas.

Membership is open to any man over the age of 18 irrespective of their race or religion, and women are invited to join one of two female-only Grand Lodges: The Order of Women Freemasons and the Honourable Fraternity of Ancient Freemasons.

In total, we have more than 7,000 Lodges, with students also able to join one of the 81 University Scheme Lodges.

*"Taking part in the ceremonies is very important but I also enjoy taking part in the fun events which make my Freemasonry complete."*

DAVID

DOWNTON LODGE

Lodge meetings are typically held in two parts. The first involves more administrative procedures, such as proposing and balloting for new members and receiving news about charitable fundraising.

The second part focuses on ceremonies, which might relate to areas such as the admittance of new members or the installation of the Master of the Lodge and his officers – a process made up of three degrees, or stages, each one marked by a special ceremony.

True to the sense of friendship and togetherness among Freemasons, meetings are also social events, providing an occasion for members to dine together.

Outside of the Lodge, activities include community fundraising and volunteering activities as well as a varied programme of events where spouses, partners and families are welcome.

## FINDING THE RIGHT FREEMASONRY FOR YOU

There are many specialist Lodges in Freemasonry; Lodge of Brothers in Arms No.9540, for example, is one of a vast number found throughout the country. The Lodge is for those who have served or are serving in the armed forces. Other specialist lodges include a variety of sports, as well as motoring and young member lodges.

# Discover Freemasons' Hall

The stunning Grade II listed Art Deco building sits in the heart of London's West End and welcomes more than 200,000 people from across the world through its doors every year, including members visiting for meetings and guests attending special events.
