THE DEGREE OF MARK MASTER MASON
AND
ROYAL ARK MARINER

www.mmmwilts.org.uk

MARK MASTER MASONS

If you take the Fourth Regular Step in Freemasonry, you will come into the Degree of Mark Master Mason. As a Craft Mason you will have some knowledge of the building of King Solomon's Temple, but have you considered how it was built? What problems may have arisen? Who carried out Quality Assurance? These questions and many others are addressed in the Mark Degree.

The Ritual in use today can be traced back to the 17th century but much of it was probably in the Craft 2nd Degree until cut out in the early 1700s; however, in Scotland its origins can be traced back much earlier. To qualify for admission a Brother must have become a Master Mason in the Craft. Once joined he may find promotion can be steady and he can go through the Master's Chair without having been through the Craft Chair. Only Mark Masons are eligible to become Royal Ark Mariners, which although a totally separate degree is administered by the Mark authorities. The Ark Mariner ceremonies are very ancient, having been used in one form or another in many Craft Lodges before the Hiramic Legend took over.

In Wiltshire, our Fellowship is a vital part of the 'Wiltshire experience'. Add to that our own Wiltshire Mark Benevolent Fund, the events, the fundraising, the family and community engagement all add up to making this a unique degree.

Visiting is another big part of the Mark; not just within our own Province - as many members have friends in other Provinces and inter-visiting cements those bonds even further. Indeed, you may visit another lodge, even in another Province, and be asked to assist in some small way, perhaps in an office. It's all part of the Order. It's all part of the magic of the Mark.

Within Wiltshire, we are supportive of the Craft and Royal Arch and recognise the value of supporting members in their journey through them.

The Ancient and Honourable Fraternity of Royal Ark Mariner, more commonly known as RAM, has been under the jurisdiction of the Grand Lodge of Mark Master Masons since 1871 and governed by the Grand Master's Royal Ark Council. However, its early history is obscure. Statutes refer to Grand Lodge being reconstituted in 1772. It is recorded that the Grand Lodge of Mark Master Masons took possession of the rights to the Grand Lodge of Royal Ark Mariner on 10 June 1884 for just £25.

Lodges are attached, or moored, to Mark Lodges assuming their Number in the Roll, and to be a member the Candidate has to have been advanced as a Mark Master Mason. There the similarity ends. In chronological terms it precedes the Mark by hundreds of years because it relates to the building and voyage of Noah's Ark and the Great Flood and has none of the other characters that we meet in Freemasonry.
